Quanzhou Best Trust Bag Co.,Ltd

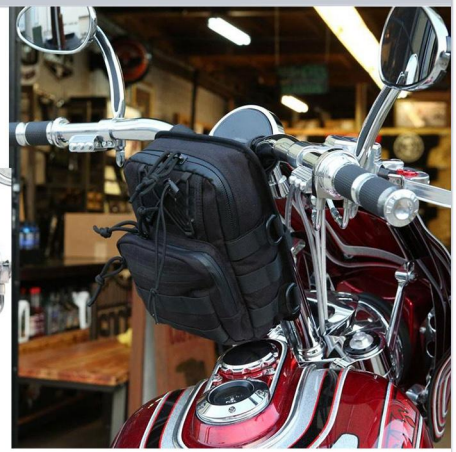

Best Trust Bag is start with two women. They grew up together and shared their lives.Despite the hardships of life, we like to go out for outdoor adventures, such as hiking, camping and fishing. We hope that every outdoor sports enthusiast has professional equipment to help them enjoy outdoor sports better.
It is new design motorcycle bag ,motorcycle duffel bag ,handlebar bag for motorcycle travelling.

The facility covers 2500 square meters with over 200-300 professional workers and various advanced machines. There are 10 hydraulic pressure cutting machines, 12 sets laser cutting machines, 200 sets welding machines and 45 sets computer stitching machines in the factory. Its daily output is up to 4000 pieces of cooler bags. Annual output is about 1,000,000 pieces of cooler bags or 1,500,000 pieces of other welded bags.
